OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilize my skills and knowledge appropriately.

EDUCATION

2022

- **Government Postgraduate College DG Khan**
Intermediate
814

2022

- **The Islamia university of Bahawalpur**
BS Information technology
3.39

SKILLS

- Python Programming language
- Java Programming language
- Front End Web Development with JavaScript
- Cybersecurity Analyst
- Business Communication Skills
- Strategic Problem Solving approach

PROJECTS

- **Calculator Desktop Application**
I Created a Graphical User Interface of Calculator by using both Python and Java Programming languages. Add more functionality by using external layouts
- **E-commerce Website Landing Page**
I created an E-commerce webpage using HTML, CSS and intermediate JavaScript.
- **Notepad Desktop Application**
I Created a Notepad GUI by using Python Programming Language at intermediate level. It also includes OS operations that saves and open files by manipulating OS storage.
